### **DECISION AWARDING DAMAGES<sup>1</sup>**

On March 31, 2014, petitioner filed a petition under the National Childhood Vaccine Injury Act, 42 U.S.C. §§ 300aa-10–34 (2006), alleging that she suffered a left arm and shoulder injury secondary to the influenza (“flu”) vaccination she received on October 14, 2011. On June 30, 2014, respondent filed a Rule 4(c) Report, conceding that petitioner suffered from a shoulder injury related to vaccine administration (“SIRVA”) and recommending compensation.

<sup>1</sup> Because this decision contains a reasoned explanation for the special master's action in this case, the special master intends to post this decision on the United States Court of Federal Claims's website, in accordance with the E-Government Act of 2002, Pub. L. No. 107-347, 116 Stat. 2899, 2913 (Dec. 17, 2002). Vaccine Rule 18(b) states that all decisions of the special masters will be made available to the public unless they contain trade secrets or commercial or financial information that is privileged and confidential, or medical or similar information whose disclosure would constitute a clearly unwarranted invasion of privacy. When such a decision is filed, petitioner has 14 days to identify and move to redact such information prior to the document's disclosure. If the special master, upon review, agrees that the identified material fits within the banned categories listed above, the special master shall redact such material from public access.

On August 13, 2014, respondent filed Respondent's Proffer on Award of Compensation. The undersigned finds the terms of the proffer to be reasonable. Based on the record as a whole, the undersigned finds that petitioner is entitled to the award as stated in the proffer. Pursuant to the terms stated in the attached proffer, the court awards:

- a. a lump sum payment of **\$135,000.00**, representing compensation for actual and projected pain and suffering (\$128,068.99) and past unreimbursed expenses (\$6,931.01). The award shall be in the form of a check for **\$135,000.00** made payable to petitioner; and
- b. a lump sum payment of **\$321.38**, representing compensation for satisfaction of the State of Illinois Medicaid lien. The award shall be in the form of a check for **\$321.38** made payable jointly to petitioner and

<sup>2</sup> Pursuant to Vaccine Rule 11(a), entry of judgment can be expedited by each party, either separately or jointly, filing a notice renouncing the right to seek review.

B. Lost Earnings

Respondent proffers that based upon the evidence of record, petitioner has not and is not likely to suffer a loss of earnings as a result of her vaccine-related injury. Accordingly, the Court should not award lost future earnings as provided under § 300aa-15(a)(3)(A). Petitioner agrees.

C. Pain and Suffering

Respondent proffers that the Court should award petitioner a lump sum of \$128,068.99 for her actual and projected pain and suffering. This amount reflects that the award for projected pain and suffering has been reduced to net present value. See § 300aa-15(a)(4). Petitioner agrees.

D. Past Unreimbursable Expenses

Respondent proffers that based upon the evidence of record, petitioner has incurred past unreimbursable expenses related to her vaccine-related injury in the amount of \$6,931.01. Petitioner agrees.

E. Medicaid Lien

Respondent proffers that Wanda Underwood should be awarded funds to satisfy the State of Illinois lien in the amount of \$321.38, which represents full satisfaction of any right of subrogation, assignment, claim, lien, or cause of action the State of Illinois may have against any individual as a result of any Medicaid payments the State of Illinois has made to or on behalf of Wanda Underwood from the date of his eligibility for benefits through the date of judgment in this case as a result of his vaccine-related injury suffered on or about October 14, 2011, under Title XIX of the Social Security Act.

**II. Form of the Award**

The parties recommend that the compensation provided to petitioner should be made through a lump sum payment as described below and request that the Special Master's decision and the Court's judgment award the following<sup>1</sup>:

- A. a lump sum payment of \$135,000.00, representing compensation for actual and projected pain and suffering (\$128,068.99) and past unreimbursed expenses(\$6,931.01), in the form of a check payable to petitioner; and
- B. A lump sum payment of \$321.38 representing compensation for satisfaction of the State of Illinois Medicaid lien, payable jointly to petitioner and

Illinois Department of Healthcare and Family Services - Bureau of Collections

**III. Summary of Recommended Payment Following Judgment**

- A. A lump sum payment of \$135,000.00 payable solely to petitioner; and
- B. A lump sum payment of \$321.38 payable jointly to petitioner and the Illinois Department of Healthcare and Family Services.

Respectfully submitted,
